Welcome to the 2016 Oklahoma City Farm Show!

All the Latest in Agricultural & Ranching Products and Services

The 2016 Oklahoma City Farm Show features the latest agricultural machinery, equipment, technology, and services from approximately 300 exhibitors representing more than 1000 products and services. To accommodate new exhibitors, the 2016 event now includes exhibits in the Oklahoma building, along with exhibits in the Cox Pavillion, Travel & Transportation building, Arts & Crafts building and outdoor exhibits.

Attendees can stay up to date on the event and view the interactive show floor plan at the dedicated event website, OklahomaCityFarmShow.com. The interactive floor plan provides the most up-to-date exhibitor information, along with contact information and exhibit location. Social media users can also stay informed of daily event announcements and interact with fellow attendees and exhibitors by following the show on Facebook at facebook.com/OklahomaCityFarmShow.

Great food, events, and prizes

In addition to 500,000 square feet of agricultural exhibits, the show kicks off each morning with complimentary coffee and rolls until 10:00 AM in the Oklahoma Building. Attendees can also take advantage of the opportunity to sign up for the daily \$1000.00 Showbucks prize drawing, sponsored by Great Plains Kubota. The Showbucks drawing will be held each day at 1PM. Showbucks can be used as cash to purchase products from show exhibitors. Attendees can sign up for the drawing at the Great Plains Kubota exhibit in the Cox Pavillion.

Hustler Turf will also once-again be offering a ride-and-drive demonstration with its zero-turn riding mowers. Attendees who take a free test drive on any day of the Show will be entered in a drawing to win a new Hustler mower, given away at 3:00pm on Saturday. The winner does not need to be present to win.

“The Show continues to grow each year and this year we have added the Oklahoma Building to accommodate many new exhibitors,” said show manager, Ron Bormaster. “With more than 300 exhibitors, many events, and great prizes, it’s a great opportunity for attendees to view all of the latest agricultural equipment and services,” continued Bormaster.

Horse training clinics and equipment demonstrations

Scott Daily returns this again this year, providing free horse training clinics each day at 11:00AM and 2:00PM. Daily is a native of Inola, Oklahoma and completed his degree in equine management at Northeastern A&M College in Miami, Oklahoma. He has perfected his training techniques over the last 15+ years. He and his wife own and operate Daily Horse Training in Arkansas City, Kansas where he trains about 200 horses each year.

Daily’s clinics will feature rough and raw horses and he will use his techniques and experience to build a bond with each horse and put them on a new development path. Daily says the most gratifying part of his job is to give horses a second change with their owners. Attendees also have the opportunity to win the 40 foot Priefert round pen used in his training clinics.

Cattle equipment demonstrations will be featured twice daily at 10:15AM and 1:00PM. These demonstrations put the latest cattle chutes to the test in side-by-side demonstrations with live cattle. Demonstrations are moderated by experienced livestock handlers and industry professionals.

The Oklahoma City Farm Show runs April 14, 15, & 16 at State Fair Park. Show hours are 9AM – 5PM on Thursday and Friday, and 9AM to 4PM Saturday.
